CUSTOMIZABLE DESIGN

CLASSIC NO NOISE MINI BAR

Energy-Saving
Noiseless:0dBA

FEATURES:

- * Heat-pipe technology
- * CFC-free, environmental friendly
- * Auto-defrost
- * Adjustable thermostat for ideal temperature control
- * Adjustable feet and door rack
- * Soft interior LED light

- 1.Connecting DC electrical current, cooling chip will create one heat side and one cold side on two surfaces.
2. The heat surface connects the heating exchange heat pipe (charge R600a inside).
3. The cold surface connects pure aluminum. By the natural conduction, the cold is delivered into the inner of mini bars.
4. By the continuously delivering of heating and cooling which created by semiconductor chip, the cooling function is made, and the whole system reaches real no noise.

Customized Poster Design

Customized poster enables the eyes catching effect and customers are extremely attractive to the product display. The posters can be individually designed according to different needs and specifications.

Engraved Logo Design

With a brand logo engraved on the glass and illuminated with the LEDs between the two panels of the glass door, the effect is impressive, by this way each product stands out individually and stimulates the customers impulse buying.

HOMESUN MINI BAR
